**13. Baseball Report (If applicable)**

**14. Softball Report (If applicable)**

**15. New Business**

Canteen not doing so well. Could be due to the smell from the oval (fertilizer) wasting food instead of making food. Need to look at this in couple weeks. Newsletter stating canteen open. Push canteen a little more.

**16. Canteen voucher to promote umpiring?**

Senior players or older siblings could get a canteen voucher if they base umpire? \$2 voucher. Mark to do vouchers.

**17. Training Shirts**

Started promoting for \$5 to make more money for club. Only for training not games. Sell helmets at sat morn.

**18. Team Photos**

Times have been sent to coaches to communicate with their teams. Photographer (Tom) will arrive 7:45am. He will do single and team photos. About 10 mins per team. We will be supplied with a folder with individual photos that will be for sale. If parents buy then club makes money.

**19. Parents & Coaches on the Diamond**

Do we agree we should be making sure no more than 1 parent or coach in the outfield when their team is fielding (for under 7s), then none for other grades. We've had a few over the past couple weeks. All agree. Ramone to let coaches know. Scorers siting together and needs to be encouraged. Scorers need shade.

**20. Parents "Dump & Run" at training**

We need to remind coaches and parents that we are not a babysitting service. I've noticed a few families have done this now (especially in Jarrod's team) Will let parents know via Facebook, email and follow up in person.

**21. Grounds**

Treatment of club by Shire - we seem to be treated as a second-rate club re grounds etc Not good enough. No respect. Need to really push our option that they need to do the right thing and show some respect to the club as we pay for hire of the oval. Letter of complaint to be made up and sent to all counsellors.
