5. Registrar Report

Registrations

- registrations have officially closed, few emails coming through and registrars are working through these as they come
- U9s are at capacity, each team has 12 players
- 282 tee-ball registrations
- 31 toddler tee-ball registrations

Coaches

- coaches are still required for U7s, U11s & U13s
- Jason and Lauren to send an email to all registered families in these age groups.

6. Tee-Ball Report

- **Finals - U11s & U13s**

- Every team should play each other twice.
 - Carnival rounds to be incorporated into fixtures from the start - **committee agreed this would work.**
- 2x weeks for finals
- 3 games to be made up in a carnival
- To be voted on -
 - there are 6x teams in U13s - do all 6 teams play in finals or just the top 4?

- **Coaches Meeting**

- Once the teams are finalised Jason and Lauren to organise a coaches meeting, day and time to be confirmed.
 - attendance is compulsory for Coaches, assistants and TMs
 - meeting to cover, kit bags, expectations of the season and what to expect.

- **Training schedule** - Lauren and Jason to go through.

- 2x LL teams to play on Wednesdays.
- Baseball training to all be on one day - potential for Thursday evening? **Lauren, Matt and Jason to go through**

- **2026/2027 Fill in roster**

- U7s not required to play up this year as all U9 teams have 12 players
- U11s and U13s will likely need players throughout the season
- U9s to play up -
 - must have played tee-ball before
 - only eligible to fill in 3 times as per the by-laws
 - to be able to have a fill in the team must have less than 9 players
 - always a few players on standby each week
- Last year an email went to all families if their child was eligible. Issues found - sometimes emails going to junk folder and families advising they didn't know about it.
 - If the list isn't large enough maybe look at having 3 games count to game count and then afterwards any games played to fill in doesn't count

7. Baseball Report

1x new LL registration.

Ari going to rego - still waiting.

Pitching machine - good investment.

Organise a busybee to go through the container.

Assignee: Clayton Grigg

10. Uniform Report

Baseball Tops

- Orders should be going in 02/09/2026 and hopefully be here for the first round of baseball
 - have been sorting through the old sponsored shirts to ensure they fit this years players
- Idea for next season - baseball shirt included in fees, kids can keep the shirt once the season ends
 - Unlikely the same players will play together two years in a row, so it won't work on the current 2 year sponsorship plan
 - It may work for having 1x year of sponsorship for baseball, rather than the current 2 years.
 - It may be easier getting businesses to commit this way and also easier for shirt sizing etc
- **Baseball Coaches Shirts**
 - No baseball shirts for TMs and Coaches
 - Coaches and TMs to be issued supported polo - this is something they can keep and where season after season
 - ** Henry was going to look into a sponsorship to pay for coaches shirts for baseball, however it was discussed in the committee group after the meeting that coaches and TMs would be issued a supporters polo.

Uniform Orders

- uniform orders have still been filtering in since have a go day
- Opening the online store again 2 weeks into the season - many adults have been asking about the shorts and we don't currently have larger adult sizes in stock
- **Uniform Open Days**
 - Kiara will open definitely once during the school holidays but will need some assistance in opening the store
 - Is the square app easy enough for other committee members to use?

Girls Carnival Tops

- if we need more tops, they need to be ordered now.
- would it be required to go back to ID athletic to get the same design
- **Since the meeting, Kiara sent through stock levels for the girls playing shirts from last season and don't believe we will need to order anymore.
