States on long wkend in March. Get state team within first month so the team can go to some pre state carnivals. Toddler Tball to be coaches by GWat. Another coach would be desirable. Kwinana Tball sent an email regarding doing a sat morning game at 8am at Kwinana and rockingham and byford for the under 13's. Not yet agreed. Keep the option open for maybe 3/4 time in the season. Will need to be discussed with parents before committing. anyone in under 10's interested in playing state can have the choice to play with the under 13's for half the price of the fees. ### **15. Discount Fees**

We have 3 kids registered this season who will only be available every second Saturday. Can we make a decision to discount their fees. \$50 to cover for shirts, insurance, photos and trophy the remainder split in half which is \$25 making the fees \$75 total moved MB second SG offered to each family.

### **16. By-Laws Adjustment**

Under Teeball Ground-Rules it states: "In Junior & Intermediate competitions, a coach may stand in the outfield while the team is fielding, but they must not interfere with the play. In over 7 competitions, no coaches are to stand in the outfield while the team is fielding except in the situation where a child may require assistance and the plate umpire and the opposing team's coach both agree to allow it. In this situation, only one (1) coach may stand in the outfield while their team is fielding, but they must not interfere with the play." Moved MB Second PF This is wrong. It should state: "In Under 7 competitions, a coach may stand in the outfield while the team is fielding, but they must not interfere with the play. In over 7 competitions, no coaches are to stand in the outfield while the team is fielding except in the situation where a child may require assistance and the plate umpire and the opposing team's coach both agree to allow it. In this situation, only one (1) coach may stand in the outfield while their team is fielding, but they must not interfere with the play."

### **17. Fees in by-laws**

Fees - by-laws state that "the set deposit fee which is paid when a player registers will not be refunded for any reason". This is clearly unfair where a player withdraws before the season has commenced, or prior to allocation to a team. GWat motioning to change by-laws to state refunds can be received prior to team allocations. Second MB

## **18. Game Times & Canteen Roster**

So far this is what I have set. Don't forget, with the exception of Toddlers we do ask players to come 30 minute early: Toddlers start 8:15am Under 7s & Under 13s start 9:05am Under 10s start at 10:20am Following up from Facebook discussion we need to decide on canteen roster times. Different thoughts on playing during your child's game or not. My suggestion is we ask people to help during the busier times, which are usually between games, which would mean the parents would only miss maybe the last 10 minutes, followed with staying back 10 or so minutes. Such as: 8:45am-9:15am - Under 7s (families would miss first 10 minutes, players should be there at about 8:30 anyway) 10:00am - 10:30am - Under 13s (families would miss last 5-10 minutes of game, as well as first 10 minutes of next game) 11:00am-11:30am - Under 9s families would miss last 10-15 minutes of game). Needs to be decided so we can organise fixtures to be printed and ready to hand out next week. Limit parents helping to diamond 2 expected to help 10min prior to game until 10min prior to next game. No parents required to help during toddler Tball.

## **19. Canteen**

We need a manager. Motioned by PF for AB to run canteen. GWat second AB accepted to act in this position. AB to ask for a \$1000 grant to start canteen. Canteen bank account to be opened at bending bank by RG
